EVERY PORT WE COVER

Logistics & Delivery

Warehouses in Türkiye and the Netherlands, our own service vehicles, and boat and barge partners in the ports we serve, so the order reaches the vessel and not the quay.

PRODUCT GROUPS

- ✓ Port-to-vessel delivery at berth, anchorage or shipyard
- ✓ Customs clearance and port entrance formalities; transit and bonded handling
- ✓ Warehouse-to-port logistics from Türkiye and the Netherlands
- ✓ Boat and barge service to anchorage; truck transport
- ✓ Urgent deliveries through the 24/7 line
- ✓ Dangerous goods packed to maker and IMDG requirements
- ✓ Cross-border shipments and international courier
- ✓ Consolidation of several vendors into one delivery
- ✓ Landing, storage and return of equipment sent ashore for service
- ✓ Return of condemned equipment and old foam for certified disposal

Compliance. Deliveries follow port and customs requirements, flag state and local regulations, dangerous goods rules and the maker's packaging and transport instructions.

HOW TO ORDER

One requisition. One delivery. The right paperwork.
